21-185. Professional service; filing required; certificate of registration; contents.

(1) Each member, manager, professional employee, or agent of a limited liability company who renders a professional service shall hold a valid license or otherwise be duly authorized to render that professional service under the law of this state if such member, manager, professional employee, or agent renders a professional service within this state or under the law of the state or other jurisdiction in which such person renders the professional service.

(2) Before rendering a professional service, a limited liability company shall (a)(i) deliver to the Secretary of State for filing a certificate of registration issued to the limited liability company by the regulatory body of the particular profession for which the limited liability company is organized to do business, which certificate sets forth the name and residence address of every member, manager, professional employee, and agent of the limited liability company who is required by law to be licensed or otherwise authorized to render the professional service for which the limited liability company is organized to do business as of the last day of the month preceding the date of delivery of the certificate, and (ii) certify that all members, managers, professional employees, and agents of the limited liability company who are required by law to do so are duly licensed or otherwise authorized to render the professional service for which the limited liability company is organized to do business or (b) comply with and qualify under the procedures set forth in subsection (2) of section 21-186.

(3) The registration certificate requirements of this section and sections 21-186 to 21-188 shall apply to both limited liability companies and foreign limited liability companies.

21-186. Certificate of registration; application; contents; display; fee; electronic records; use; license verification fee; Secretary of State; duties.

(1)(a) An application for issuance of a certificate of registration shall be made by the limited liability company to the regulatory body in writing and shall contain the names of all members, managers, professional employees, and agents of the limited liability company who are required by law to be licensed or otherwise authorized to render the professional service for which the limited liability company is organized to do business, the street address at which the applicant proposes to render a professional service, and such other information as may be required by the regulatory body. If it appears to the regulatory body that each member, manager, professional employee, and agent of the applicant required by law to be licensed is licensed or otherwise authorized to practice the profession for which the applicant is organized to do business and that each member, manager, professional employee, or agent required by law to be licensed or otherwise authorized to practice the profession for which the applicant is organized to do business is not otherwise

disqualified from rendering the professional service of the applicant, such regulatory body shall issue a certificate in duplicate upon a form bearing its date of issuance and prescribed by such regulatory body certifying that the proposed or existing limited liability company complies with the provisions of the Nebraska Uniform Limited Liability Company Act and of the applicable rules and regulations of the regulatory body. Each applicant for such certificate shall pay the regulatory body a fee of twenty-five dollars for the issuance of the certificate.

(b) One copy of a certificate of registration issued pursuant to this subsection shall be prominently displayed to public view upon the premises of the principal place of business of the limited liability company, and, except as provided in subsection (2) of this section, one copy shall be delivered for filing to the Secretary of State who shall charge a fee of twenty-five dollars for filing the same. The certificate shall be delivered to the Secretary of State for filing with the certificate of organization. A certificate of registration bearing an issuance date more than twelve months old shall not be eligible for filing by the Secretary of State.

(2) When licensing records of regulatory bodies are electronically accessible to the Secretary of State, the Secretary of State shall access the records. The access of the records shall be made in lieu of a certificate of registration being prepared and issued by the regulatory body for delivery to the Secretary of State for filing. The limited liability company shall deliver to the Secretary of State for filing an application setting forth the names of all members, managers, professional employees, and agents of such limited liability company who are required by law to be licensed or otherwise authorized to render the professional service for which the limited liability company is organized to do business as of the last day of the month preceding the date of application and shall deliver to the Secretary of State for filing an annual update thereafter. The application shall be completed on a form prescribed by the Secretary of State and shall contain such other information as the Secretary of State may require. The application shall be accompanied by a license verification fee of fifty dollars.

The Secretary of State shall verify that all members, managers, professional employees, and agents who are required by law to do so are duly licensed or otherwise legally authorized to render the professional service for which the applicant is organized to do business or ancillary service as those which the limited liability company renders through electronic accessing of the regulatory body's records. If any member, manager, professional employee, or agent who is required by law to be licensed or otherwise authorized to render the professional service for which the limited liability company is organized to do business is not licensed or otherwise legally authorized to render the professional service for which the limited liability company is organized to do business, the limited liability company shall be suspended. The suspension shall remain in effect and a biennial report shall not be delivered to the Secretary of State for filing or filed by the Secretary of State until the

limited liability company attests in writing that all members, managers, professional employees, or agents who are required by law to be licensed or otherwise authorized to render the professional service for which the limited liability company is organized to do business are duly licensed or otherwise legally authorized to render the professional service for which the limited liability company is organized to do business and that information is verified by the Secretary of State or all unlicensed or unauthorized members, managers, professional employees, or agents are no longer members, managers, professional employees, or agents of the limited liability company.

21-188. Certificate of registration; suspension or revocation; procedure; notice.

A regulatory body may, upon a form prescribed by it, suspend or revoke any certificate of registration issued to any limited liability company pursuant to subsection (1) of section 21-186 upon the suspension or revocation of the license or other authorization to render a professional service by any member, manager, professional employee, or agent of the limited liability company who is required by law to be licensed or otherwise authorized to render the professional service for which the limited liability company is organized to do business. Notice of such suspension or revocation shall be provided to the limited liability company affected by sending by certified or registered mail a certified copy of such suspension or revocation to the limited liability company at its principal place of business set forth in the certificate so suspended or revoked. At the same time, the regulatory body shall forward by regular mail a certified copy of such suspension or revocation to the Secretary of State who shall remove the suspended or revoked registration certificate from his or her files and deliver it to the regulatory body.

21-190. Professional service; limitation.

(1) A limited liability company which renders a professional service shall render only one type of professional service and such services as may be ancillary thereto and shall not render any other type of professional service or engage in any other profession. No limited liability company may render a professional service except through its members, managers, professional employees, and agents who are duly licensed or otherwise legally authorized to render such professional service within this state.

(2) This section shall not be interpreted to include in the term professional employee, as used in the Nebraska Uniform Limited Liability Company Act, clerks, secretaries, bookkeepers, technicians, and other assistants who are not usually and ordinarily considered by custom and practice to be rendering a professional service to the public for which a license or other legal authorization is required.
