STATEMENT OF CHARGES

Complaint Number 96-2

The Nebraska Board of Examiners for Land Surveyors hereby adopts and approves the following charges against Jack C. Fitch, L.S. 336, and orders that a hearing be held as provided in Nebraska Revised Statute § 81-8,123 (1943).

1. That Jack C. Fitch negligently and incompetently performed his duties as a land surveyor in violation of Nebraska Revised Statute § 81-8,123 (1943) in that he failed to file a record of survey in the office of the Nebraska Survey Record Repository for surveys he executed in the following instances:
 - (A). An irregular tract containing 14.5 acres, more or less, situated in the West $\frac{1}{2}$ of Section 5, Township 17 North, Range 3 West of the 6th P.M. in Platte County Nebraska dated April 9, 1990.
 - (B). An irregular tract containing 2.5 acres, more or less, situated in the SW $\frac{1}{4}$ of the NW $\frac{1}{4}$ of Section 5, Township 17 North, Range 3 West of the 6th P.M. in Platte County Nebraska dated January 6, 1990.
2. That Jack C. Fitch negligently and incompetently performed his duties as a land surveyor in violation of Nebraska Revised Statute § 81-8,123 (1943) in that he executed a survey situated in the West $\frac{1}{2}$ of Section 5, Township 17 North, Range 3 West of the 6th P.M. in Platte County Nebraska dated April 9, 1990 in which the county road right of way was not included in the description.
3. That Jack C. Fitch negligently and incompetently performed his duties as a land surveyor in violation of Nebraska Revised Statute § 81-8,123 (1943) in that he executed a survey situated in the West $\frac{1}{2}$ of Section 5, Township 17 North, Range 3 West of the 6th P.M. in Platte County Nebraska dated April 9, 1990 in which the south line of the cemetery was not retraced as shown on the plat and described in the legal description.
4. That Jack C. Fitch negligently and incompetently performed his duties as a land surveyor in violation of Nebraska Revised Statute § 81-8,123 (1943) in that he executed surveys in which the north right of way line of State Highway #22 was not retraced as shown on the plat and/or as described in the legal description as shown in the following instances:
 - (A). An irregular tract containing 14.5 acres, more or less, situated in the West $\frac{1}{2}$ of Section 5, Township 17 North, Range 3 West of the 6th P.M. in Platte County Nebraska dated April 9, 1990.
 - (B). an irregular tract containing 3.0 acres, more or less, located in the NW $\frac{1}{4}$ of Section 5, Township 17 North, Range 3 West of the 6th P.M. in Platte County Nebraska dated September 11, 1993.

Chapter - 2 - Application for Registration:

001. Application forms for registration as a land surveyor and surveyor-in-training may be obtained from the office of the Secretary of the Board of Examiners for Land Surveyors. Sec. 81-8,114

002. Applications must be received by the Secretary ninety days in advance of the examination date. Applications must be typed or neatly lettered in ink on forms prescribed and furnished by the Board. To be acceptable they must be filled out completely and in the detail required. Sec. 81-8,114

003. Prior to January 23, 1999 no application for registration as a land surveyor will be accepted unless it is accompanied by a check, draft or money order in the amount of \$100.00 made payable to the Secretary of the Board of Examiners for Land Surveyors. Effective January 23, 1999 application for registration as a land surveyor will be accepted unless it is accompanied by a check, draft or money order in the amount of \$140.00 made payable to the Secretary of the Board of Examiners for Land Surveyors. The fee shall be considered an application fee and shall not be returned to applicants who are unsuccessful for any reason. Sec. 81-8,118

004. Prior to January 23, 1999 no application for registration as a surveyor-in-training will be accepted unless it is accompanied by a check, draft or money order in the amount of \$75.00 made payable to the Secretary of the Board of Examiners for Land Surveyors. Effective January 23, 1999 no application for registration as a surveyor-in-training will be accepted unless it is accompanied by a check, draft or money order in the amount of \$100.00 made payable to the Secretary of the Board of Examiners for Land Surveyors. The fee shall be considered an application fee and shall not be returned to applicants who are unsuccessful for any reason. Sec. 81-8,109

005. All information received from references named by the applicant shall be held in confidence by the Board. No member of the Board shall be named as a reference. Sec. 81-8,109 and 81-8,118

006. An applicant shall not be admitted to the examination until satisfactory replies have been received from a minimum of 3 of his or her references. It is suggested that each applicant contact his or her references to avoid delay. Sec. 81-8,110.08

007. Application for inactive classification may be made by submitting a request in writing to the Secretary of the Board. Sec. 81-8,119.01

008. No application for inactive classification will be accepted unless it is accompanied by his or her personal seal or a sworn statement certifying its loss or destruction and a check, draft or money order in the amount of \$50.00 made payable to the Secretary of the Board of Examiners for Land Surveyors. The fee shall be considered an application fee and shall not be returned to applicants for any reason. Sec. 81-8,119.01

Chapter - 9 - Disciplinary Actions:

001. The Board may revoke or suspend the registration of any land surveyor or place any land surveyor on probation when such land surveyor has been found guilty of: (1) fraud or deceit in obtaining a registration; (2) negligence or incompetency in the performance of his or her duties; (3) misconduct in the performance of his or her duties; or (4) failure to file a record of survey as provided in Section 81-8,122.01, R.R.S., 1943. Before the Board shall take such disciplinary action the applicant or registrant shall be given a hearing as provided in Section 81-8,124 to 81-8,125, R.R.S., 1943 conducted according to Chapter 11 and all other applicable rules and statutes. Sec. 81-8,122.01; 81-8,124 and 81-8,125

002. The Board may revoke the registration of any inactive registrant when such registrant has been found guilty of: (1) fraud or deceit in obtaining a registration; (2) negligence or incompetency in the performance of his or her duties while actively registered; (3) misconduct in the

performance of his or her duties while actively registered; (4) failure to file a record of survey as provided in Section 81-8,122.01, R.R.S., 1943 while actively registered; or (5) actively practicing land surveying while inactive registered. Before the Board shall take such disciplinary action, the applicant or registrant shall be given a hearing as provided in Section 81-8,124 to 81-8,125, R.R.S., 1943 conducted according to Chapter 11 and all other applicable rules and statutes. Sec. 81-8,119.01; 81-8,122.01; 81-8,124 and 81-8,125

003. The "Minimum Standards for Surveys" published, approved and recommended by the Professional Surveyors Association of Nebraska at its annual meeting in February 1989 is hereby made part of these rules and regulations as Addendum A. The "Minimum Standards for Improvement Location Surveys" is hereby made part of these rules and regulations as Addendum B. The Board in consideration of any action based upon negligence, incompetency or misconduct of any land surveyor or inactive registrant shall use these above noted addendums and all publications to which they refer. The use of these standards shall be the guideline for practice but shall not prevent the Board from using its collective experience and judgement to determine when negligence, incompetency or misconduct has occurred in any specific instance.

004. Any registered land surveyor or inactive land surveyor who received his or her registration based upon registration in another state shall be subject to disciplinary action based entirely upon actions taken by that state. In the event that said state revokes such registration the Board shall revoke the Nebraska registration. In the event that said state suspends such registration the Board shall suspend the Nebraska registration for a similar period. Any revocation or suspension implemented under this paragraph shall become effective 30 days after the action of the Board unless appealed by the registrant. In the event of an appeal the registrant shall be given a hearing conducted according to Chapter 11 and all other applicable rules and statutes. Sec. 81-8,124 and 81-8,125

Addendum B

Minimum Standards for Improvement Location Surveys

Preamble

These standards are intended to be the minimum requirements for improvement location surveys in the State of Nebraska.

An improvement location survey shall be defined as a survey which produces a certificate that shows the location of buildings with foundations actually located on the land covered by the legal description provided by the client. The improvement location survey is not a boundary survey as identified by Nebraska State Statute 81-8, 109.

Research and Investigation

- A. The Registered Land Surveyor shall use the description furnished by the client to perform the improvement location survey. If the Registered Land Surveyor determines the description to contain apparent incompleteness, insufficiencies, or be subject to junior/senior rights, the Registered Land Surveyor shall so advise the client that additional information will be required to complete the survey.
- B. After all necessary written documents, as furnished by the client, have been analyzed the survey shall be based on a field investigation of the property. The Registered Land Surveyor shall make a thorough search of physical monuments and analyze evidence of occupation. A minimum of two (2) monuments acceptable to the Registered Land Surveyor within the same block in urban situations and within the same section in rural situations, either found or re-established, shall be used.
- C. Monuments may be permanent and semi-permanent points such as, but not limited to, stones, axles, re-bars, crosses, and pipes. Fence lines, mowing lines, hedge rows, etc. are not considered acceptable monuments of the parcel of land. Appropriate survey

instrumentation and measuring equipment shall be utilized. The minimum shall be transit and/or measuring tapes.

- D. A Registered Land Surveyor in the State of Nebraska shall not provide to any party an Improvement Location Certificate unless in possession of a work order signed by the client as indication that he/she has been advised of the different types of surveys available and the scope of each.

Drafting

A sketch of the parcel of land (titled Improvement Location Certificate) shall be used in support of the improvement location survey and the following minimum standards shall be used.

- A. Parcel lines with the dimensions from the deed description or plat shall be shown.
- B. Major improvements (permanent structures) shall be shown with dimensions and descriptions (e.g., residences, garages, outbuildings with foundations).
- C. Major improvement locations shall be shown with dimensions to the parcel line, with two dimensions shown. Offsets shall be shown radial or perpendicular to the parcel line. The level of certainty of the measurements shall be so indicated in parenthesis after each dimension or by means of a general note. Example: 12.5' ($\pm 0.5'$), 20' ($\pm 1'$)
- D. Monuments accepted shall be shown and described.
- E. Easements provided to the Registered Land Surveyor by the client shall be shown.
- F. A North arrow shall be shown.
- G. The following caption shall appear prominently on the certificate:

Improvement Location Certificate

- H. A statement that the accompanying Improvement Location Certificate is a representation of the conditions that were found at the time of the improvement location survey and that the document does not constitute a boundary survey and is subject to any inaccuracies that a subsequent boundary survey may disclose. It shall state that the information shown on the certificate should not be used to establish any fence, structure, or other improvements. The certificate shall state whether the measurements shown on the certificate are based on plat or deed information and verified as shown and that the Improvement Location Certificate represents only visible building improvements.
- I. The legal description of the parcel of land shall be included on the certificate.
- J. The Registered Land Surveyor shall sign, seal, and date the certificate.
